A STHMA AND BRONCHITIS.—NO PARTS OF THE human frame are so delicately constructed or so easily affected as the throat and chest, more especially in cold elimates. Where damp and cold affect the constitution it behoves the sufferer to adopt effectual remedies. One of the simplest and most valuable is "DATURA," which affords instant relief, and the good results are confirmed by the personal experiences of the most eminent physicians. It is prepared only by SAVORY & MOORE, of 142 New Bond street, London, the chemists to the royal families of kingland, France and Beigium, and sold by them and all chemists and storekeepers as eigars, cigarettes, tobacco and pastiles for imbalation.
